SPEAKER WITHEM: Senator Jones, you have some time available.

SENATOR JONES: Thank you, Mr. President and members of the body. I want to stand in the same recognition that Wickersham did and honor her on her 100th birthday. Kind of the reason I want to bring this up too, my folks, my dad just lived in that very same community and my dad will be 91 this next month and she was 100 and she had a lot of younger brothers and sisters that he was over to their place a lot of times and they grew up together in the same community, so there was a lot of recollection there. And I couldn't believe it but my third son then married a girl from Boston by the name of Gugger and I found out that the Gugger's came from the very same town that Sandoz did in Switzerland and they came there to visit one day and so they went up there to Gordon and got all the information they could for them because her granddad and Sandoz remembered each other over in Switzerland when before he moved over here, so he wanted to really look that up. So, anyway, it's a lot of connection there and so I just wanted to bring that out. Thank you.

SPEAKER WITHEM: Thank you, Senator Jones, and LR 390. Senator Schellpeper.

SENATOR SCHELLPEPER: Thank you, Mr. Speaker and members. This resolution will honor the Saint Joseph Catholic Church at Constance, Nebraska. The community is no longer there. It used to be on the map. Used to have a post office and a school. They're all gone, but the church is still there yet. It was a new church, completed in 1894. It was blessed in 1896 and dedicated as Saint Joseph Catholic Church. In 1896 there were 67 families. They currently have 48 families, so it's kind of held its own over the 100 years. It's a great little church and I move for the adoption. Thank you.

SPEAKER WITHEM: You have heard the opening on all of the resolutions. Members wishing to comment on any of them may do so at this time. Senator Chambers, followed by Senator Brown.

SENATOR CHAMBERS: Mr. Speaker and members of the Legislature, I want to ask my good friend Senator Stanton (sic)...I mean Senator Schellpeper, from the Canadian border, a question, if I
